Substitutions:

- The substitution point is required in order to correctly enter DUPR results.
- These are the three options and how you should annotate the scoresheet (in these examples, Maggie is subbing in for Marge):

Option 1: A player subs in for both games of a round - strike out the original and write in the new name:

Player 1		Player 2	
AF1	Marge Maggie or Maggie Marge	AF2	Away Team Player 2
HF1	Home Team Player 1	HF2	Home Team Player 2

Option 2: A player subs in for for the first game of a round - write the new name followed by "/" before the original name:

Player 1		Player 2	
AF1	Maggie / Marge	AF2	Away Team Player 2
HF1	Home Team Player 1	HF2	Home Team Player 2

Option 3: A player subs in for for the second game of a round - write "/" followed by the new name after the original name:

Player 1		Player 2	
AF1	Marge / Maggie	AF2	Away Team Player 2
HF1	Home Team Player 1	HF2	Home Team Player 2
